Public Concerns and Complaints

Constructive criticism motivated by a sincere desire to improve the quality of the educational program or to equip the BOCES to do its tasks more effectively is welcomed by the BOCES.

Public complaints made pursuant to this policy may involve personnel or BOCES operations. Such complaints shall be processed in accordance with this policy’s accompanying regulation. Public complaints concerning unlawful discrimination or harassment, instructional resources, appeals of suspension/expulsion decisions or student concerns/complaints/grievances shall be processed according to applicable Board policy, as listed in this policy’s cross references.

This policy and accompanying regulation shall not apply to parent/guardian concerns or complaints filed on behalf of a student or concerning a student. If a parent/guardian files a complaint, the BOCES shall follow applicable Board policy in responding to the complaint, as listed in this policy’s cross references.

The Board relies on BOCES staff to resolve concerns raised by the public and believes that complaints are best handled and resolved as close to their origin as possible. Therefore, whenever a complaint is made directly to the Board or an individual Board member, it shall be referred to the executive director, who shall process the complaint in accordance with this policy’s accompanying regulation.
